Dear Professor Voženílek,

Thank you for your message seeking ICA endorsement of the ICA Commissions Joint Workshop on Atlases, Cognition, Usability which will be held in Olomouc, Czech Republic, 27-30 April, 2018. We appreciate that the aim of the workshop is to collect knowledge and share experience about the latest achievements in the field of cartography.

This ICA Commissions Joint Workshop on Atlases, Cognition, Usability workshop will continue the intensive work undertaken by the Czech cartographers in the international cartographic arena.

Considering the above the International Cartographic Association is very pleased to be able to endorse the ICA Commissions Joint Workshop on Atlases, Cognition, Usability.

Good luck with the event!

Yours sincerely

Prof Dr László Zentai
ICA Secretary General & Treasurer
(on behalf of the ICA Executive Committee)
